Rya GC vs Inverness GC 2011

The match 2011 started at Copenhagen airport where we met up to help the Inverness team with their golfbags and escort them in a terrible weather over to Rya golf club. 30 min after arrival the Inverness team stepped up on tee, and by that moment it stopped raining!! But they still had one challenge left, the wind. On the 16th hole, 151 meters you normally hit an 8 iron but this afternoon they used 3 irons and some even hit driver. After the round we all gathered in the clubhouse for something to eat before we all took home to accommodate our guests.

Next day the Inverness team went to Barsebäck GCC approximately 20 min from Rya GC.(If you're going in the right direction David) Barsebäck GCC is a championship golf course that has hosted Scandinavian Masters and Solheim cup.

Then on Friday and Saturday, the weather was absolutely perfect with almost no wind and sunshine. The Inverness team were hungry for revenge and they also took the trophy back to Scotland.
