SENIOR COMPETITIONS 2027

ETIQUETTE

All players are expected to play in the spirit of the game by:

- Acting with integrity – for example, by following the Rules, applying all penalties, and being honest in all aspects of play.
- Showing consideration to others – for example, by playing at a prompt pace, looking out for the safety of others, and not distracting the play of another player.
- Taking good care of the course – for example, by replacing divots, smoothing bunkers, repairing ball marks, keeping golf buggies and caddy cars off greens and tees and not causing unnecessary damage to the course.
- Please leave bunker rakes in the flat of the bunker with the handle pointing towards the tee of the hole being played. Rakes should be placed as far from the edge as possible.
- When losing your place, allow those behind to play through.
- Practice on the course is prohibited.

PACE OF PLAY POLICY

It should be the goal of all players to complete their round in less than 3 hours 40 minutes. This amount of time should be adequate, provided all players remain aware of the need to play without delay. It is each group's responsibility to be observant of its position on the course and keep pace.
When a group loses its place on the course, the group behind may ask the slow group to speed up or let them play through.

READY GOLF

Ready golf is an attempt to ensure play moves as quickly as possible and is a commonsense approach, which just needs players to communicate well on the course and be courteous at all times.
Players should be prepared and ready to play as soon as it is their turn to play. While exercising due consideration for other players in your group, put your glove on, check your yardage, pick your club or line up your putt while others are playing.
When approaching the putting green, leave bags in such a position as will enable quick movement off the green and towards the next tee.
Players may play out of turn, on the condition that it is for the purpose of keeping play moving quickly.
Stoke play – play ready golf in a safe and responsible way.
Match play – you and your opponent may agree to play out of turn to save time.

BRS TEE TIME BOOKING AND FIRST TEE MANAGEMENT

- If a member has booked a tee time and is unable to play, please remove your name from the Daily Booking Sheet as soon as possible so that the tee time can be used by another player.
- If you are booking another member into your tee time, please record the member’s name instead of using the guest option, as soon as possible.
- To help with the management of the First Tee, would members please check in with our Pro Shop staff before going to the First Tee.
